Dear Families and Students:

The Governing Board members, administration, and staff of the Sarasota Academy of the Arts welcome you to our eleventh year as a public charter school. The information in this handbook has been carefully prepared to help our students succeed.

In addition to reading this handbook thoroughly, parents and students should also read the Sarasota County Schools Student and Family Handbook which is linked to the Sarasota Academy of the Arts website. It is especially important to study the Code of Student Conduct to ensure that student behavior meets school and district expectations.

We look forward to the challenge of educating our students and helping them grow to be happy, secure, well-adjusted young adults. We hope this handbook will help your family be an active partner in making the 2023-2024 school year your students' most successful ever.

100.0 Attendance Policies

Florida Statute 1003.21 mandates that all students are required to attend school and sets forth specific requirements for the school. Parents and students can be held legally accountable for truancy. Excessive tardiness and/or unexcused absences may lead to disciplinary action up to and including dismissal and a return to the students' districted school.

Attendance is reported by the period at the middle and high school levels. In order to be considered present for the day, a student must be in attendance minimally for:

Middle School

Four periods of the day (200 minutes)

Elementary School

Half of the school day (200 minutes)

- Sarasota Academy of the Arts will follow the Sarasota County Schools' calendar. The academic day starts at 8:15 am.
- K-5 car riders are dismissed at **4:00 PM**. Students who ride with 6-8 students will be picked up at **4:15 PM**.
- After-school care is provided by SAA as a fee-based program. Information concerning fees and the program schedule is available in the school office and on the website, or contact began@sarasotaacademyofthearts.com
- Regular school attendance is imperative and crucial to academic achievement. Every effort should be made to ensure regular attendance.
- Family vacations should be scheduled when school is not in session. Vacations are not excused absences.

100.1 – Excused Absences

- If a student is absent, a signed note or email from the parents/guardian or a physician must be presented within three days for the absence to be counted as excused.
- If that contact does not occur, the absence will be recorded as unexcused.
- The following absences will be considered excused:
 - Student is ill (if illness persists for three or more consecutive days, or requires numerous nonconsecutive absences, a doctor's note may be requested by the principal.)
 - Major illness in the family (if illness persists for three or more consecutive days, or requires numerous nonconsecutive absences, a doctor's note may be requested by the principal.)
 - Therapeutic services appointment (i.e. speech, occupational, physical, behavioral therapy)
 - Any absence judged appropriate by the principal, provided that a written request is made 48 hours before the absence.
- With an excused absence, students will have an equal number of days to complete the assigned work without penalty.

100.2 – Unexcused Absences

- In accordance with the Sarasota County School District's policy, a student is considered truant if s/he has five (5) or more unexcused absence days within a calendar month or ten (10) or more unexcused absence days within a ninety (90) day calendar period and can be subject to judicial action.
- In the case of an unexcused absence, a student will have an equal number of days to complete the work missed, but may lose points on assignments.

100.3 – Tardies

It is extremely important that students arrive at school on time and ready to learn. When students arrive late, they miss valuable instruction time and disrupt the classroom.

- Students are allowed to enter classrooms at 8:15 am.
- Students who are tardy must be signed in at the office by their parents before going to class.

100.4 Early Release

- Parents/guardians are strongly discouraged from picking up their children during the academic day.
- Students who are removed early from school are missing valuable instruction time and this will be treated in the same way as tardies.
- Should an emergency arise, the parent must sign the student out in the office.
- If a student is not feeling well, s/he must use the office phone to call a parent/guardian. **Students will not be allowed to use their cell phone, a staff member's cell phone, or a classroom phone to call home when they don't feel well. If a student goes home sick and they have contacted their parent/guardian from a cell phone, the absence will be considered "unexcused."**

Excessive tardies, early dismissals, and/or unexcused absences may jeopardize the standing of a student at SAA. Cases will be handled individually and a determination will be made based on the circumstances of the absences.

100.5 Student in Transition Enrollment Procedures (SCSB Policy 5.14)

A homeless/transition student is defined under the Federal McKinney-Vento Homeless Education Assistance Act as lacking a fixed, regular and adequate nighttime residence, and includes:

- Sharing the housing of other persons temporarily due to loss of housing, economic hardship, or similar reason (doubled-up);
- Living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.
- Living in motels, hotels, temporary trailer parks, or camping grounds due to the lack of alternative adequate accommodations;

- Students may not possess any electronic device or other technology during testing, unless explicit authorization is given, regardless of the student's location during the testing or who owns the device, even if the device or technology is turned off or the student does not use it. Violation of this rule will result in the student's test being invalidated.
- If an electronic device or technology disrupts a class or students, for example by ringing, flashing, or vibrating, the student possessing the device or technology will be subject to disciplinary action. Any student who uses an electronic device or technology in a manner that materially disrupts classwork or involves substantial disorder or the invasion of the rights of others, including by threatening, bullying, harassing, discriminating against, or intimidating another student or district staff member through email, social network posting, or other electronic messages or technology, also will be subject to disciplinary action as determined by the school administration.

300.5 - Transportation

Transportation is available via Sarasota County School District buses for students through pre-determined pocket pickup locations.

- Uber, Lyft, or other car services **are not allowed** to transport students from school.
- SAA car tags must be displayed when picking students up in the car line.
- Authorized persons picking up students without a SAA car tag, will provide an ID before the student is released to them.
- Any vehicle entering the school area is subject to search by school authorities and the law enforcement officers working with them. School officials may conduct the search based on "reasonable suspicion." A search may be conducted without a warrant for any reasonable purpose. A search of the vehicle includes all compartments and components thereof. Once a search begins, the person who owns and/or drives the vehicle will not be permitted to remove it from the premises during the duration of the search.
- Only authorized persons listed on the enrollment forms may pick up your child.
- Bicycle Helmets: Florida State Law §316.2065 requires a bicycle rider or passenger less than 16 years of age to wear a bicycle helmet that meets the standards of the American National Standards Institute. Bicycle helmets must be worn by anyone under the age of 16 riding a bicycle.

300.6 – Class Interruptions

- Sarasota Academy of the Arts strives to provide a nurturing family atmosphere where students and parents can feel comfortable and safe. Open communication between parents and teachers is imperative.
- Every teacher has a daily planning time that can be used for parent/teacher conferences but an appointment must be made in advance.
- If a conference is needed, either send an email, leave a phone message or inform the administration. Please do not text/call teachers on their personal cell phones, as this is NOT allowed and will not be considered a form of appropriate communication.

300.7 – Visitors on Campus, Raptor Visitor and Volunteer Management System (Jessica Lunsford's Act, more information-section 301.5)

- Visitors to the campus must sign in with the main office and present a current state-issued form of identification (e.g. driver's license or state identification card). The identification is used to register the visitor on campus and process the visitor through the Raptor Visitor and Volunteer Management System. After a visitor who has legitimate business with the school has been cleared, the visitor will receive a Raptor self-adhesive name tag with his or her name, photo and the campus location he or she is visiting. The badge must be visibly worn at all times while the visitor is on school grounds. Any individual considered a non-student must obtain administrative clearance through the visitor management system prior to entering the school. Persons without a pass are subject to a trespassing charge and may be arrested. Visitors who do not clear the sexual offender/predator database will not be allowed unescorted access to campus and must coordinate future visitation with an on-site administrator.
- Any authorized campus visitor wishing to serve as a volunteer (including mentors, tutors, field-trip chaperones, booster club members, etc.) must first apply to be approved as a volunteer through the school district's Volunteer & Partnership program. Applications may be submitted via computers at the Volunteer & Partnership Office. This application process prompts a Level 1 criminal history background screening to be completed at no cost to the volunteer. This background screening is required for all school volunteers, in addition, normal visitor screening. SAA must receive clearance notice from the Volunteer & Partnership Office before the volunteer is permitted to work in a school or at a school function. Please note that some volunteer interactions (such as one-on-one work with a student and overnight field-trip chaperoning) require a higher level of background screening for a fee. Once approved as a volunteer, check with SAA for your volunteer assignment requirements who will coordinate with the school district Safety, Security & Emergency Management Department at 941-927-9000, ext. 31132 to make an appointment for fingerprinting, if necessary.
- Upon each visit to SAA, after signing in at the office and producing identification for visitor access, approved volunteers must proceed to the school's volunteer computer and sign in to the *Volunteers Count!* database for their volunteer session. This process allows volunteers to document volunteer hours and be covered by the school district's workers' compensation insurance policy. All volunteers must sign out on the computer when leaving to end their session. When volunteering at a time when access to the computer is not possible (such as an evening activity or meeting), SAA will provide an alternative method for signing in and out as a volunteer. Volunteers serve by permission of the school principal/administrator, who has final authority for allowing volunteers to serve at the school.
- Students who are enrolled in any Sarasota County public school shall not visit any other public school without the permission of the administrative personnel at the school being visited. Any student found in violation of this policy shall be subject to school disciplinary action. Students enrolled in Sarasota County public schools serving as volunteers at any public school must apply and be approved through the school districts *Volunteers Count!* database and must sign in and out on the volunteer computer documenting their volunteer hours on that campus.
- Visitors must receive approval from the principal in advance to observe in the classroom.
- Teachers cannot stop classroom activities to hold parent conferences.
- Students cannot invite their friends or relatives from other schools to visit the school without express permission in advance from the principal's office.
- Any individual found on the campus without clearance from a member of the administrative staff is subject to a trespassing charge and possible arrest.

300.8 – Communication

- Please check the SAA website, Google Classrooms, your child's communication folder, and emails on a regular basis for information about school events, newsletters, permission slips, and/or announcements. Parents may also receive telephone calls or text messages through Parent Link.
- Please be sure that you keep your home, emergency contacts and email addresses current. If you need to update your information, please fill out a Request for Change of Information form.

300.9 – Permission for Publication of Pictures in Public Media

There may be times during the school year when students are photographed or videoed for public media. These pictures could appear in magazines, newspapers, television, advertisements or on the school website.

- It is necessary to have parent permission to publish photos or videos.
- **This permission can be found on InfoSnap enrollment.** (On the school registration forms, parents/guardians may either grant or deny permission for their child to participate in these types of media events. Parents/guardians who later wish to change their decision may do so at any time by completing the appropriate form available from the school's registrar.)

301.0 – Student/Parent Grievances

In the event there is a concern that is not resolved through parent/student/teacher communication, the parent or student may appeal to the administration which will conduct a thorough investigation and make a determination in the best interest of the student. At no time should the dispute be allowed to escalate to a level where other parents or students are involved or affected. If necessary, following the investigation, the following steps should be utilized:

- Make an appointment via **email** with the administration to set a conference with the parties involved.
- The administration will schedule the conference.
- The administration will render a decision regarding the issue.
- If a suitable resolution cannot be reached, the parent/guardian can appeal to the SAA Governing Board through a formal letter of complaint and/or conference with the parent liaison who has been appointed by the Governing Board.
- Because the teachers and staff of SAA are employees of the SAA Governing Board and not the Sarasota County Schools, parents should go through the above steps before contacting the Charter School Department at the Sarasota County School Board Office.
- At no time may a parent/guardian address a student other than their own child or another parent about a conflict on school grounds without an administrative staff member present.

301.1 – Dismissal Policy and Procedures

Sarasota Academy of the Arts is an open enrollment public charter school. It is, however, like all charter schools, a school of choice requiring an application process, an enrollment lottery if applications exceed enrollment capacity, and a parent/student contract specifying the policies and disciplinary procedures of the school.

- Students may be dismissed from SAA and returned to their districted schools for:
 1. Repeated violations of the parent contract.
 2. Repeated serious violations of the SAA Code of Student Conduct resulting in In-School or Out-of-School Suspensions.
- Reasonable interventions may include but not limited to student conferences, parent conferences, county discipline referrals, behavior contracts, probations, etc. will be implemented prior to a student being recommended for dismissal.

301.2 - Lost and Found

- Please label all items that your child may shed during the day with his/her last name.
- Students and parents are welcome to search for lost items during the school day or contact the office by phone or email to inquire about lost items.
- At the end of each month, items will be displayed and students or parents can take what is theirs.
- Items that are not claimed each month will be donated.

301.3 – Meals and Snacks

Food that is delivered by a service for students is not allowed such as Uber Eats. Only parents can bring food for their child.

Breakfast will be provided through the Sarasota County School District Food Services may be purchased between 8:15 AM and 8:30 AM.

Lunches will be provided through the Sarasota County School District Food Services.

- **Funding for Meals:** Parents may pay into a child's account by sending money with the child to school or through an online program called www.myschoolbucks.com. The school, grade, birth date and district N number is needed in order to create an account. The student's lunch account can then be funded with a credit or debit card. (A convenience fee is charged for each transaction.) Features of this program include online viewing of the account balance, viewing seven days of meal purchase history and the ability to enable the "Smart Pay" feature which automatically adds money to a child's account when a low balance is reached.
- **Free and Reduced Meal Benefits:** Parents and/or guardians are responsible to apply for Free and Reduced Meal Benefits and are responsible for all charges until eligibility is determined. Parents will be notified when a child's account is running low. Please make sure if you sign up for www.myschoolbucks.com, the child's account is current. Free and Reduced meal benefits must be applied for annually. Parents and/or guardians may apply online under the Food and Nutrition Services Department section.
- Students may bring a ready to eat packed lunch that does not require refrigeration or heating.
- Energy drinks, coffee, and "monster" drinks are **not permitted** in school. Only plain water is permitted in the classrooms.
- A snack time will be provided in the elementary grades, with snacks brought from home.
- Students may have water bottles in the classroom; no food or drinks are allowed during class times without teacher permission.
- Gum is not allowed in classrooms.
- While SAA is not a peanut-free school, every effort will be made to accommodate all food allergies on an individual and classroom basis.
- Please bring a snack for your child if they will be in aftercare. Snacks are not provided.

301.4 School Safety and Security

The School Resource Officer Program is a nationally accepted program that places law enforcement officers on school campuses. Sarasota Academy of the Arts contracts with the Sarasota County Sheriff's Department. There are several areas in which the SRO will be actively involved while working on the school campus:

- A visible uniformed law enforcement figure on campus to deal with any law enforcement-related issues.
- A classroom resource for instruction in the following areas: safety programs, educational programs in drug and violence prevention, social media use, and several other similar topics.
- An extension of the school administration in dealing with a variety of situations.
- A resource for students enabling them to be associated with a law enforcement figure in the student's environment rather than in a traditional law enforcement environment.
- A resource for teachers, parents, guardians, and students for conferences related to individual problems or questions.
- A counseling resource for law enforcement issues that affect the educational environment.

SAA School Safety Teams: These teams are required by Florida state law. They are responsible for campus safety, training staff, conducting drills, safety tours, and finalizing the FSSAT. The SAA School Safety Team includes an administrator, the SRO(s), a Custodian or maintenance person, a Cafeteria Manager, and at least one teacher. The Safety Team must ensure that all staff is trained on all emergency procedures for the school. Teacher Classroom assessments are given to teachers and reviewed by Safety Team members during pre-service week. The District and SAA work together regarding the Raptor Team Assist configuration, school safety plans, and the School Safety Tour.

Emergency evacuation drills (fire, hurricane, tornado, active assailant/hostage situation, other natural disaster, and school bus) shall be held in compliance with state requirements and formulated in consultation with the appropriate public safety agencies.

The SAA principal is responsible for 1. Developing and posting emergency evacuation routes and procedures; 2. Assigning and training all staff members in specified responsibilities to ensure prompt, safe and orderly evacuation; 3. Identifying and reporting hazardous areas requiring corrective measures; and 4. Preparing and submitting a written report of each emergency evacuation drill to the District office.

Active Assailant. Emergency Response plans 1006.07 (6)(c) Active assailant response plans: The SAA governing board adopts an active assailant response plan which is submitted to the District by the Principal. This certifies that all school personnel have received annual training on the procedures contained in the active assailant response plan for SAA. SAA will follow, as applicable Safe and Secure Schools 3.24 Policy and Procedures related to providing a safe, secure and orderly learning environment,

Family reunification plan: The SAA school governing board shall have adopted, in coordination with local law enforcement agencies and local governments, a family reunification plan to reunite students and employees with their families in the event that a school is closed or unexpectedly evacuated due to a natural or manmade disaster. This reunification plan is reviewed annually and updated, as applicable.

SAA Threat Assessment Management: SAA State-mandated team meets monthly to discuss students at risk. A record of each meeting is kept and accessible to the FLDOE when requested. The team must include an administrator (Team Leader), the SRO(s), a school counselor/ school psychologist (if available), and at least one teacher. You can have more team members but there must always be this core. A sign-in sheet is kept on file in the main office of every Threat Assessment Team meeting. All team members must receive PCG and Threat Assessment training no later than 90 days after their appointment to the team.

301.4a: Be Brave Hotline: BE BRAVE stands for Better Education by Reporting All Violence Early and is a statewide effort to encourage students and others to call and report suspected serious incidents or other criminal activities that could affect the safety and well-being of students, staff and visitors at school.

The toll-free number is 1-877-7BE-BRAVE or 1-877-723-2728. Trained personnel answer the number 24 hours a day, seven days a week. If it's an emergency, call 911. Callers may remain anonymous and will not be required to identify themselves in order to give information. All information received through the hotline will be forwarded to the appropriate school and law enforcement authorities who will investigate and take any necessary action.

SAA contracts with the Sarasota County Sheriff's Department during the school year, and will pay additionally for extra-curricular activities/sports hours.

301.4b: Fortify FL: SAA encourages students to use [Fortify FL](#), State-mandated tips line.

- a. Posters are displayed in the entrance, near the SRO office, and the cafeteria, available in English and Spanish.
- b. Dr. Kopacz, school administrator is assigned to review school-specific tips.
- c. District sends current lists of alert recipients to all principals for corrections.

301.5 — Jessica Lunsford Act

The Jessica Lunsford Act (authorized by Florida Statute 1012.467) requires a Level II criminal history background check for contractors and vendors doing business on school grounds. This criminal history background check is done by obtaining and submitting the fingerprints of the contractor or vendor to the Florida Department of Law Enforcement (FDLE) and the Federal Bureau of Investigation (FBI). Fingerprint clearance checks are performed by the school district Safety, Security & Emergency Management Department. If the contractor/vendor is cleared through the results of the criminal history background check, he or she has issued a photo identification badge.

301.6 Raptor Emergency Management System during Critical Incidents at SAA/Alyssa's Law

During a critical incident, parents should not go to the school unless notified to do so. The school will be secured by law enforcement and parents will not be able to get their student until the threat has cleared. To ensure student safety and security during an incident, parents are asked to not contact their student by cell phone. Updates and other important information will be provided through the Connect-ED telephone communications system by the school Principal, Dr. Kopacz. (1006.07 94) (b). Parents must make sure all of their emergency contact information is current and listed correctly at the school. Faculty and Staff of Sarasota Academy of the Arts utilize the RAPTOR Emergency Management System as a panic alert system in the event of an on campus emergency. This system is downloaded on mobile devices and computers/laptops.

301.7 Cell Phones during Critical Incidents

During a critical incident at the school, cell phones are not to be used by students. Using a cell phone during an emergency limits the students' ability to quickly acknowledge and respond to directions putting themselves and their classmates in jeopardy. Additionally, during certain emergencies talking is not allowed in the classroom. This rule is enforced so that the room will sound vacant; conversation by the students or the ringing of a cell phone could identify their location to an attacker. Parents are asked to explain to their children the importance of not using cell phones during an emergency.

400.0 Health, Safety, and Documentation

The mission of Florida's school health services plan is to appraise, protect, and promote the health of students. Services are provided in accordance with a county School Health Services Plan jointly developed by the county health department, school district, and School Health Advisory Committee. It is the responsibility of the parent to notify the school of any health condition of their student(s) which may require medication, treatment or monitoring at school or on school-sponsored trips or activities.

400.1 – Student Information/Student Pick Up

- Each student's Enrollment Information (InfoSnap) must be filled out prior to the first day of attendance. In case of an accident or illness, SAA must be able to reach a parent or legal guardian. Information must be kept current.
- Students will only be released to authorized people listed by their parents/guardians.
- If someone not listed on the form must pick up a student, a dated note to that effect must be brought to school that morning by the parent/guardian or student and given to the office. The name of the person picking up the student and the anticipated time of dismissal must be on the note.
- Anyone picking up a student must present a picture ID at the office.

400.2 – Required Documents

The following information is required to enroll a student in a Florida school. Please note that the student may not attend class until all documents are received.

- A certified birth certificate, which may be requested online from your birth state's health department.
- A Florida Certificate of Immunization, Form 680, completed by a Florida physician or by a Florida county health department.
- Florida Statute §1003.22 requires any child entering a Florida school for the first time to present documentation of a physical examination performed within one year prior to enrollment (registration date). This exam must include a review of all body systems (heart, skin, respiratory, etc.) performed by a licensed medical provider. The exam should indicate any condition which would warrant special considerations for the student at a school. The physical exam form must be readable (health department personnel can only accept exams in English), signed, dated and stamped by the provider, practicing physician or the county public health department.
- Official documentation that the parent(s) or guardian(s) is a legal resident(s) of the school district attendance area.

- Students who meet the definition of in transition/homeless under the McKinney-Vento Act can receive special assistance with school enrollment. For information on who qualifies as in transition/homeless see section 200.3.

400.3 – Immunizations

Florida Statutes §1003.22 and §402.305 and Sarasota County School Board Rule 5.10 require that prior to admittance to or attendance in a public or non-public school, each student shall present or have on file with the school a Florida Certificate of Immunization (DH 680 form) from a licensed practicing physician or the county public health department. The student must have all required shots for the entering grade level.

No-cost immunizations are available to eligible children through the federally-funded Vaccine for Children program at Florida Department of Health in Sarasota County. Call 941-861-2784 in Sarasota or 941-861-3850 in North Port for locations and hours of operation and appointments. Please email your child's shot records to DOHSarasotaImmunizations@flhealth.gov or fax to 941-526-1532 to have the immunizations put on the DOH 680 form.

- Parents must show proof of required student immunizations or an immunization exemption issued by the Health Department prior to enrolling in SAA and/or attending classes.
- Required immunizations are listed in the Sarasota District Student and Family Handbook.

Students are not allowed to carry medication and self-medicate unless it has been approved by the school health nurse (only middle school students are allowed to self-medicate).

- Whenever possible, medications should be given at home.
- However, if necessary, the proper form and the medications must be turned in at the school office and the health room aide or assigned school employee will administer all medications in the school health room.
- Only FDA approved prescriptions and over the counter medications are permitted to be given at school.
- An M/TAF is needed for EACH prescription.
- The M/TAF is valid for the current school year only.
- The parent needs to pick up medication at the end of the school year or if the medicine is discontinued. Medication that is not picked up will be discarded.
- Medication must be in the original prescription or unopened over-the-counter container labeled with the child's name, medication name, dosage, and times to be administered.
- A parent must deliver the signed M/TAF and medications directly to the school health room or assigned school employee so that medications can be accepted and counted.
- Homeopathic remedies are not FDA-approved and will not be administered by school personnel.
- Dietary supplements are not approved by the FDA for use as drugs and will not be administered by school personnel.
- Controlled narcotic medications for severe pain management are not administered in the school setting. Because these medications are known to cause decreased coordination and decreased levels of consciousness, they present learning and safety issues that can be dangerous to students.
- Treatment equipment such as nebulizers and glucometers must be supplied by the parent. An M/TAF signed by a licensed health care provider and the parent must be on file along with a signed notarized affidavit. Both forms are only valid for the current school year.
- A Medication/Treatment Authorization Form, signed by a parent and physician, must be provided and medication must be stored and administered according to Sarasota County Student and Family Handbook 2023-2024.

400.5 – Screening Services

- Screening for vision, hearing, scoliosis, height, and weight are mandated by Florida Administrative Code 64F-6003 for specific groups of students, according to grade level.

- Permission is given when a parent/guardian enrolls in InfoSnap.

- It is imperative that children with any of the above be picked up from school immediately.
- Students will remain in the health room until they are picked up.
- Students sent home with a fever above 100.4 degrees may return to school when they have been fever-free for 24 hours without fever-reducing medicine.
- Students with undiagnosed rashes may return to school when they are rash-free.
- If a health care provider is seen, a note should be sent when the student returns to school.
- Students who feel sick while in school will be sent to the clinic and parents will be contacted after they have been assessed – they are not to call on a cell phone or a classroom phone.

400.7 – Head Lice

Students who display signs of head lice such as excessive scratching of the head may be sent to the health room for a thorough examination of the hair and scalp.

- Adult lice or eggs (nits) are often found in the hair, behind the ears, or at the nape of the neck.
- If live lice are present, the student will be sent home with instructions for treatment.
- After lice treatment, the student must report to the health room for the next consecutive school days with a parent/guardian to be examined for lice and nits before they may return to class.
- If nits are present, the student may return to class, but the student's parent must continue daily efforts to remove all nits.
- The student must report to the health room on a daily basis to monitor progress of nit removal until no nits are found.
- Encourage your child to avoid sharing combs, hats, or clothing with other children.
- Check your child's head on a regular basis.
- For more information, refer to the Head Lice Chapter of the School Health Services Manual, www.sarasotacountyschools.net/schoolhealth.

400.8 – Animals on Campus

- It is necessary to have parental permission for students to touch and play with these animals.
- Due to allergies, some students may not be able to come in contact with certain animals.
- Please be sure that permission is granted through the office before bringing any animals on campus.

400.9 – Accident and Illness Documentation

All reported accidents and visits to the health room will be documented

- If an accident is minor and requires simple first aid, parents will not be called but will receive written notification of the injury when the student goes home.
- If more than basic first aid is needed, the parent/guardian will be called immediately.

500.0 Academic and Curriculum Information

Honor Code

The School Board of Sarasota County and the Sarasota County School District strongly believe that academic honesty must be practiced by all students. Cheating is defined by the school board and the district as “The inappropriate and deliberate distribution or use of information, notes, materials, or the work of another person, or the unauthorized use of technology devices in the completion of an academic assessment or assignment.”

Students are expected to demonstrate honesty and integrity at all times. Each student is expected to do his or her own work, except where collaboration is required by the teacher. This includes test-taking, homework, class assignments and the original creation of essays, compositions, term papers and research. There is no distinction between giving and receiving unauthorized help; one who helps another to cheat is as guilty as one who benefits from cheating. All work submitted by the student should be a true reflection of that student’s own effort and ability.

Violation of this policy may result in academic and/or disciplinary consequences, loss of eligibility for local scholarships, and/or loss of honors, awards and membership in extracurricular activities.

500.1 – School Books

- Books are very expensive and must be treated with respect. Each classroom will be furnished with a set of hardback books.
- Students in the lower grades will have individual workbooks and access to the texts and supplementary materials online.
- Middle school students will have online access to texts and supplementary materials online.
- Students can check out textbooks and are responsible for returning them in good condition.
- Lost and/or badly damaged books will be assessed at replacement cost.

500.2 – School Supply List

- A supply list will be published on the website prior to the beginning of the school year.
- School supplies must be brought to class daily by each student.

500.3 – Assignments: Homework, Tests, Classwork

- Homework is an independent activity to reinforce concepts learned in class and to be accomplished outside of the school day and without teacher assistance.
- Some homework may require some assistance by parents/guardians.
- Parents will be given access to student assignments, homework, and rubrics on the teacher’s website or Google Classroom.
- Teachers will assign homework based on the maturity and ability levels of the students. The following suggests the average amount of time students should spend on homework nightly. Teachers and parents may use these times as guides to monitor student time devoted to homework:
 - K & Grade 1 – 30 minutes
 - Grades 2 & 3 – 45 minutes
 - Grades 4 & 5 – 60 minutes
 - Grades 6, 7, 8 – 90 minutes
- Students are responsible for completing their homework and returning it to school on the required day.
- Teachers are responsible for assigning, explaining, and correcting student homework. They are also responsible for notifying parents if students have not turned in homework assignments.
- Parents are responsible for setting a specific time and place for students to do homework and checking to make sure that assignments are completed.
- Students are also expected to read at least 20 minutes at home nightly.
- Assessments and tests will be administered on a regular basis in each subject area.

500.4 – Grades

Grades should never be a surprise to any student or parents/guardians. Access to student grades is available through the Parent Portal; each student and parent/guardian will have an individual password.

- Students will receive a district report card at the end of each grading period indicating their progress either digitally through the Parent Portal or as a hard copy if requested.
- Honor Roll (2nd– 8th grades) will be as follows:
 - 4.0 GPA = Principal's Honor Roll
 - 3.5-3.9 GPA = Honor Roll
- Sarasota Academy of the Arts will follow the Sarasota County School District Student Progression Plan regarding performance and promotion. Refer to the Sarasota County School District Student and Family Handbook for more information.

500.5 – Exceptional Student Services (ESE)/504

- All accommodations and modifications will be implemented as stated in Individual Education Plans (IEPs), Section 504 Plans, and Gifted Educational Plans (EP) as required by the Individuals with Disabilities Act (IDEA) and the Americans with Disabilities Act (ADA).
- If a student is having difficulty academically, socially, or behaviorally, the classroom teacher will plan and document specific interventions within the classroom under the RtI (Response to Intervention) system. If these interventions do not change the student's concerns, the teacher will refer the student to the grade level MTSS team.
- Before a student is considered for an Exceptional Student Services Plan, interventions will be provided in the classroom by the classroom teacher with guidance from the Multi-Tiered System of Supports (MTSS) Team.
- If the MTSS interventions do not make the changes needed for the student to show progress, s/he will be referred to the SAA Children at Risk in Education (CARE) team.
- The parents/guardians have a right to be involved in all intervention plans and CARE meetings. They also need to be involved in writing an IEP if the student qualifies for special education services, a 504 plan, or gifted services.
- The SAA charter allows the school to provide special education services for students who are in the regular classroom a majority of the school day.

500.6 – Make Up Work

Students who miss school for any reason (excused or not excused) are expected to make up all work missed during their absence, tardiness, early removal from school, or suspensions.

- Parents may also access the teacher websites for assignments. Students in grades 5-8 have access to assignments through Google Classroom.
- Students will have as many days as they are absent to make up work.
- Extended illness may receive special consideration

500.7 – Google Accounts

Sarasota Academy of the Arts has the ability to create accounts for all students to allow for collaborative sharing using Google Suite for Education. These accounts will be used for school-related projects. However, no student will be assigned an account without parent or guardian approval. The rules governing proper electronic communications by students are included in the Technology Acceptable Use Policy that is part of the Student Code of Conduct. Once accounts are assigned, students gain access to the wealth of collaborative tools available through Google Suite.

The following services will be available for each student included with Google Suite for Education:

Gmail: An official school email address will be assigned to students for school related use only in the username@sarasotaacademyofthearts.com format.

Google Drive: A secure online space where students will store all of their school work, including but not limited to, Google Docs, Google Sheets, Google Slides, and other classroom related material. Anywhere students have access to the Internet, they can access their work.

Google Classroom (as applicable): Classroom is designed to help teachers create assignments, and keep track of progress. Features like making a copy of a document for every student, and making class announcements help keep everything more organized.

Calendar: Students will have the ability to create and manage a calendar to keep track of assignments, and upcoming events.

SAA's Google Suite for Education domain is different from a personal Google account and is **NOT open to the public**. It is a safe and secure "self-contained" cloud-based system that is unique to our domain. Features typically available to personal Google accounts like video chat, personal profiles and social networking will NOT be accessible to our students. Teachers will have the ability to monitor everything that a student does within Google Suite.

Conduct - Students are responsible for good behavior just as they are in a traditional school building. It is against school policy to use obscene, profane, threatening, or disrespectful language. Communication with others should always be course related. Students should never say anything via email that they wouldn't mind seeing on the school bulletin board or in the local newspaper. Students should notify the teacher of anything inappropriate or that makes them uncomfortable. Bullying will not be tolerated, and the privacy of others should be respected at all times.

Access Restrictions - Access to and use of Google Apps for Education is considered a privilege accorded at the discretion of Sarasota Academy of the Arts. SAA maintains the right to immediately withdraw the access and use of the account when there is reason to believe that violations of law or School policies have occurred. In such cases, the alleged violation will be referred to the Principal for further investigation and application of necessary consequences as indicated in the Student Code of Conduct.
