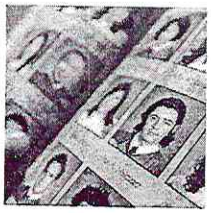
2026-2027 SAA CLUB INFORMATION SHEET

Monday:
This club will meet every **Monday** and is for grades 4th through 8th. Beta Club is a nationally recognized community service honors club that focuses on leadership, achievement, character, and service. Students in this club are required to complete a min of 25 hours of community service and maintain a minimum GPA of 3.5. Most community service hours will be achieved through activities with the club. This club participates in a State Convention every year, but attendance at the convention is not required. Students must apply with an application given to Mr. Gallet for review. This club could have travel costs and other fees associated with membership.



Tuesday:
Yearbook Club will meet on **Tuesday** for students in grades 5th-8th. Do you love drawing, designing, photography, or bringing ideas to life? Whether you're an experienced artist or just enjoy being creative, Yearbook Club is the perfect place for you! Help design pages, create artwork, and make lasting memories while working with friends to capture this year's special moments. No experience is necessary—just bring your imagination and enthusiasm! We can't wait to see what you'll create!

Thursday:
4-H Club will meet on **Thursdays** for students interested in learning, leading, and having fun! Did you know that **4-H** is America's largest youth development organization? The four H's stand for **Head, Heart, Hands, and Health**—helping students learn, lead, serve, and grow. In 4-H, you'll explore exciting hands-on projects, build leadership skills, make new friends, give back to your community, and discover new interests along the way. Every meeting is a chance to learn something new, challenge yourself, and have fun! Come see what 4-H is all about—we'd love to have you join us!
