

# **REVISED School Staff/Student COVID-19 Test Process**

**Please note new hours of operation starting Friday, October 2nd**

The Florida Department of Health in Sarasota in partnership with Sarasota County Schools is offering PCR testing for **symptomatic** staff or students. In certain situations, family members of staff or students may be eligible for testing. This testing will be available by appointment only. The PCR test will consist of an oral swab collected by a DOH Sarasota Nurse. Specimens will be sent to the Health Department Laboratory for processing, with results being returned in approximately 48 hours.

To be eligible for testing, the individual must be a **symptomatic** student or staff member of Sarasota County. If a **symptomatic** family member needs to be tested to determine a staff or student’s quarantine, they may be tested as well.

Symptoms may include any (or all) of the following:

- Fever
- Cough
- Sore Throat
- Fatigue
- Shortness of Breath
- Congestion
- GI Issues
- Headaches
- Body Aches
- Sweats
- Loss of taste/smell
- Chills

To request a test, Sarasota County School staff or student’s parent/guardian must complete the included COVID-19 Test Request form and email it to [dohsrqcovid19@flhealth.gov](mailto:dohsrqcovid19@flhealth.gov). DOH staff will contact you to provide appointment time and location. **If you are unable to send the request form, please call 941-861-2941.** When leaving a voicemail, please include your name and a return phone number. **Please remember to STAY home until test results are available.**
