

Something You Never Outgrow: Immunizations

State of Florida Immunization Requirement Guidelines for school entry for the 2015-2016 school year

Immunizations are required prior to entry into any Florida school.* Listed below are the shots needed for the 2015-2016 school year.

The following website is designed to answer parents' questions about vaccinating their children:

Please contact your health care provider with any additional questions.

PLEASE BRING YOUR SHOT RECORDS WHEN YOU GO TO A HEALTH DEPT. CLINIC (see reverse side for locations). Immunizations will not be given without a record of previous shots. If you need a copy of your child's shot record, it can be obtained from his/her health care provider or school.

Vaccines are available free of charge at the health department either through the federally-funded Vaccine for Children's program or through insurance. If you have insurance, please bring a copy of your insurance card. No co-pays or deductibles will be charged.
